

## KETTERER on the new Mercedes-Benz Actros GigaSpace

The time has come: you can get our product lines KETTERER EXCLUSIVE, KETTERER PROFESSIONAL and KETTERER CONTINENTAL on the new MB Actros GigaSpace. The driver cabin disposes of driver and front passenger seat with two additional rotatable comfort seats. From every seat you can enjoy the panoramic view through the huge windscreen.

A simple action allows to integrate the rear seats into the cozy lounge of the living. The incredible exterior design impresses as well as the spacious cabin and the economical consumption, combined with the latest technology. See yourself!
